***REASONS FOR ALLOWANCE***

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: none of prior art teaches or suggests an electrical connector, comprising a terminal positioning assurance member and an electrical terminal member; in a pre-assembled position, the rearwardly facing stop surface of the flexible latch member abuts the front leading end of the front latch member, until the terminal is inserted into the cavity to a position where the raised projection of the terminal or the terminal deflects the flexible latch member of the terminal position assurance member; and in a fully assembled position, the flexible latch member of the terminal position assurance member passes over and locks behind the front latching member.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuongchi Nguyen whose telephone number is (571) 272-2012. The examiner can normally be reached on 8:00AM-4:00PM.
